3/19/2020

Dear Parents,

As ongoing efforts to reduce the spread of the CORVID-19 virus continue, mandates from Federal, State and CDC officials are becoming more restrictive. The health and safety of our staff is important; to reduce the risk of potential exposure and following official recommendations, all program staff effective March 20 will be working from home.

Today, deliveries were made to families; activities, lunch & snacks for your child, and diapers, if needed. Due to recent restrictions by the Governor and exposures of staff to an individual with a confirmed case of the virus, we will no longer be able to deliver food and supplies to families directly. This plan, though well intentioned, required staff to be working in too close a proximity to each other and increased their risk of exposure.

Staff will, however, continue to reach out to you and your family to assist you with services as able; please let your Home Visitor/Family Advocate know if there is anything that they can assist you with. They will have contact information for area food pantries if you are in need. The L.E.A.P Food Pantry has been relocated to the Washington County WIC Building, 411 Lower Main Street, Hudson Falls, NY 12839. Food will be distributed by appointment only, please call (518) 409-5199.

If you have any questions, please call (518) 747-2816 and someone can assist you. Though working from home, we are still available to support you and your family, if needed. Wishing you all continued good health.

Warmest Regards,

Patricia Salvarezza
