If family, how many are in your family? Adults _____ Children _____

What did you grow in the garden? Tomatoes, peppers, leeks, beets, flowers and herbs

Were you able to understand the written information included in this mailing? Yes No

Is this information helpful with your gardening? Yes No

Taking part in a community garden can provide many benefits.
Please check any/all that apply:

- I learned a new skill-how I can grow food & plants
- I learned I can eat more healthily by growing and eating locally grown produce
- I learned I can save money by growing my own produce
- Having a community garden can be relaxing and fun
- I would do this again

Please share any other comments you may have to improve your experience and our garden:

Really nicely taken care of and the
H2O on premises GREAT

Name (optional): ~~_____~~
