If family, how many are in your family? Adults 2 Children 2

What did you grow in the garden? green + red lettuce, cilantro, cucumber,

cherry + blueberry tomatoes, peppers, tomatillo, carrots, butternut squash

Were you able to understand the written information included in this mailing? Yes No

Is this information helpful with your gardening? Yes No

Taking part in a community garden can provide many benefits.

Please check any/all that apply:

- I learned a new skill-how I can grow food & plants
- I learned I can eat more healthily by growing and eating locally grown produce
- I learned I can save money by growing my own produce
- Having a community garden can be relaxing and fun
- I would do this again

Please share any other comments you may have to improve your experience and our garden:

Growing fruits & veggies in the community garden has been a very fun, rewarding and educational experience for our whole family. Thank you so much for the opportunity!!
