Dear Members of the Policy Council,

Enclosed you will find the Head Start/Early Head Start financial reports as of April 30, 2022; one month into 'year three' of the five-year grant period.

Of note:

- Spending is low (3.7% of budget), and while some of this is related to timing of expenditures, vacancies and turnover continue to impact spending.
- Non-Fed Share requirement—In-kind will be booked on a quarterly basis (not reflected in report) and private donations are expected to ramp up over the next year.
- ARP grant spending is on-target with the Early Head Start playgrounds as the remaining project to be completed

The COLA/QI application for the budget period 4/1/2022 – 3/31/2023 has been submitted to the Office of Head Start and is under review.

Best,

Emily Fagle, Finance Director
