

About Us

We at LEAP serve as Washington County's Head Start Agency, Community Action, and Workforce Development. We are highly involved in providing resources that improve the lives of the families, individuals, and children we serve.

Your Participation in our Masquerade Gala help us to better support our Program's needs as our community grows and the economic demands change for the people we serve.

Engagement

CHARITY MASQUERADE GALA

Join us for a night of decadence and mystery as we dress up and don masks to support LEAP Services. Your donation supports 5 Head Start centers, Washington County's Career and Family Services including employment services, workforce development, elderly transportation, and emergency food pantry.

There will be a three course dinner accompanied by live strings. The Menu is your choice of Faroe Island Salmon or Grilled Top Sirloin as the main course. Harvest Salad as a starter, and Flourless Belgian Chocolate Cake for dessert. (Let us know if you have any dietary restrictions.) There will be a cash bar onsite.

Following dinner there will be performers, silent auctions, 50/50, and games, as well as, dancing, and a DJ.
